Topics Discussed

- Amanda Kulp will be helping with our self-study this summer
- Planning for our reaccreditation
 - Some subcommittees will meet to review the final draft
 - Federal compliance section will be done separately
 - Changes since 2005
 - Need to show shift in funding
 - Need to acknowledge flat retention and drop in attendance
 - Important to include JCERT and expansion of Edwards Campus CTSA grant
 - Mention we have been in Wichita and Salina for four years
 - Talk about cluster hires
 - Discuss academic freedom and rights in relation to social media issue
 - Foundation professor
 - Engineering and Pharmacy expansion, more than just buildings
 - LCME accreditation went very well
- HLC review team will be no more than 10, we have requested additional people from public institutions for our team
- We should write evidentiary statements into document to help the team

Future Meetings (Date/Time/Location):

- Will be scheduled for early September
